MEMORANDUM FOR: TRD

SUBJECT: Draft Copy of [] Manual

25X1

25X1 In order to expedite the consolidation of the comments on the proposed [] Manual, it is requested that copy No. 14-19, now in your possession, be returned to this office at your earliest convenience. Wide distribution of the publication in its present draft form does not serve the doctrinal purpose for which it was designed and confusion is likely to result therefrom. Following the complete return of these comments, the manual will be published in final form and disseminated to Staffs and Divisions for general guidance.
